WELCOME

TO VIBE COLLEGE

We would like to welcome you to Vibe College. We bring 10 years history of providing vocational educational training to Australian students. Our decade-long operation has provided us with time to create a honed training approach, create the best educational resources, build a fully functional brand-new facility in Brisbane CBD and create a great team of educators & support staff. We are very excited to offer vocational education at Vibe College that has gone through rigorous upgrades over the decade to all international students seeking recognised quality education in Australia.

Enrolling in college is a big step, and we recognise that you will be challenged in multiple ways before you make your decisions. Hence, our team is available to support and guide you through any questions or concerns.

At Vibe College we value and understand the importance of quality education. Hence, we do not just focus on content-based learning, but real-life learning from professionals that have established themselves in the industry. Vibe College offers students a wide array of courses that open pathways to go on to further studies within and outside Australia. Our staff & educator's focus is to support all our students in achieving their personal and professional goals. We recognise that this is your time of growth, self-reflection, and independence and our Vibe team will be alongside you to help you on your journey.

Please read through the prospectus, review our website and contact us if you are unable to find what you are looking for. We hope you will take advantage of the opportunities that awaits you. We hope to see you at Vibe!

Regards,

BIKASH PANDEY
PEO Vibe College

WHY CHOOSE VIBE COLLEGE?

1 - HISTORY OF OPERATION

Vibe College has been delivering vocational education and training to Australian students for almost 10 years. Our history and existence in itself are the support to our quality education. Operating for 10 years has provided us with a great network and connections to industry professionals. Also, we have provided training to thousands of students over the last 10 years to secure a career and we would like to provide the same opportunity to the international students as well.

2 - QUALITY OF EDUCATION

Vibe College delivers Certificate II thru to Advanced Diploma courses, which are accredited by Australian Skills Quality Authority (ASQA). As our courses follow the national standards, our students are getting exposure to coursework that would be equally accepted in their home country.

We prepare our students for their future career, whatever it may be and wherever in the world they end up after completion of their education at Vibe College.

3 - FOCUSED EDUCATION ON THE REAL WORLD

Vibe College courses and training are focused on the real world. We believe that students need to be challenged outside their classroom lectures for effective learning. Hence, our training is focused on practical training, coaching from industry professionals, and placements. We bring professionals that have established themselves in the industry to share their experience and guide students on what to expect at the completion of their course. We prepare you for what's after instead of just during the course.

4 - MANAGED BY INDUSTRY PROFESSIONALS

The focus of Vibe College, from day one has been to provide real-world experience. Hence, the college management team is made of business professionals, accounting professionals with experience of the BIG 4 accounting firms, educators with more than 20 years of experience in the industry.

Our team is made up of staff and educators that have spent significant time in the industry. In addition, Vibe College requires its educators to currently be employed or practicing in the industry to stay current to the trend. We believe that true educators are always learning and should be able to relate to the industry at any given time.

5 - AFFORDABLE PRICING AND FLEXIBILITY

The management of Vibe College is proud of our reasonable prices which allows students from all over the world to afford the quality of Australian education. We also work with our students in creating flexible payment options so they can focus on their education instead of their finances. Vibe College also engages industry professionals to provide coaching at no additional cost.

OUR PROMISE

Study today for a better tomorrow.

At Vibe College, our focus has always been to empower our students with skills and knowledge that will help them secure their future. Hence, we utilize various teaching techniques that are more engaging and applicable to real-world experience.

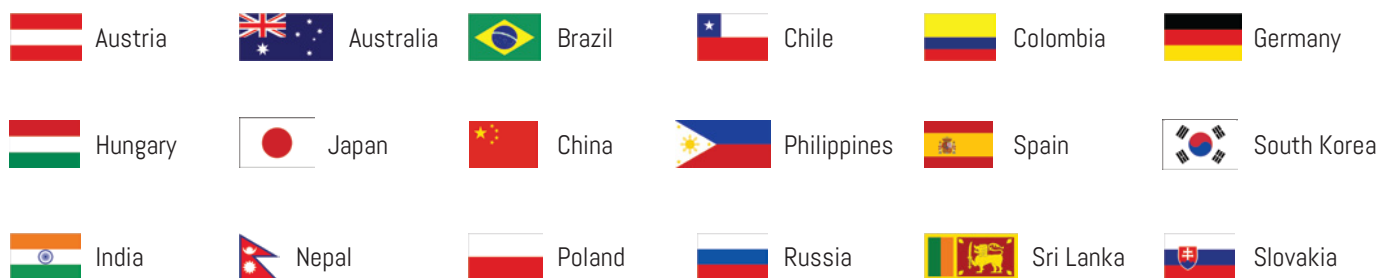

We pride ourselves on providing practical education and access to industry professionals that are available to mentor our students during their time at Vibe College.

Our trainers and staff are active members of the industry and persistently engage our students on direct experience in order to increase knowledge, develop skills, clarify values, and develop people's capacity to contribute to the workforce in Australia or anywhere in the world.

Our focus is on developing the skills of our students today and providing them with the full package of industry knowledge, professional coaching, social skills and emotional intelligence to create a better tomorrow.

Our promise replicates the saying of Malcolm X: "Education is the passport to the future, for tomorrow belongs to those who prepare for it today."

WE CURRENTLY HAVE STUDENTS FROM ALL OVER THE WORLD!
